## GOVERNMENT OF GOA

### Department of Home

Office of the Collector,  
South Goa District, Margao

#### Order

No. 37/16/2012/MAG/5950

Read: Order No. 37/16/2010/MAG/5315 dated 11th June, 2012.

The present order shall be in partial modification to the previous order passed by me i.e. Order No. 37/16/2010/MAG/5315 dated 11th June, 2012.

Whereas, Police Inspector, Quepem, Sub-Divisional Magistrate, Quepem and Village Panchayat Rivona had requested this authority to put a ban on transportation of Iron ore by trucks during the rainy season, since the general public face lot of problem because of these mining trucks as mud/minerals/ores etc. fall on the road from these mining trucks due to which road become slippery and unsafe causing danger and inconvenience to the movements of the general public and especially the school going children to walk on the road. Further, it was appealed that such unsafe roads may also result in accidents during the rainy season.

Taking into consideration of the above representation this authority after consulting with the Superintendent of Police, South Goa and the other officers, had issued the aforesaid order on 11th June, 2012 putting up ban and stop the movement of mining traffic (Trucks, Tippers etc.) during rainy season with immediate effect till September, 2012 plying from Taluka of Quepem, Sanguem and Dharbandora considering the safety of the citizens on high priority.

That after the issue of the aforesaid order dated 11th June, 2012, various representations were made to this authority from the mining companies, worker's Unions, Truck Owners Associations etc. to lift the ban as the aforesaid order passed by this authority has affected their business, employment and financial conditions adversely. Some of these representations made namely: A. X. Poi Palondicar, Pandurang Timblo Industries, Shraddha Ispat Private Ltd., Goa Sponge & Power Limited, Vedanta Sesa Goa Limited of Iron Ore Division as well as Pig Iron Ore Division, Sesa Goa Workers Union, Usgao.

One such representation is made by the Usgao Truck Owners Association stating that ban on ore transportation has given adverse impacts on the employment and economic conditions of the people staying in Usgao as it has resulted in unemployment;.

Further there are also representations made by the Village Panchayat Kirlapal-Dabal Dharbandora asking to lift the ban as it adversely affects the employment and economic conditions of the people of their Panchayat.

Further there were also objections raised by certain NGOs against these representations to lift the ban on the transportation activities of mining trucks. One such objection was raised by the S.H.G. Federation which was forwarded to me by the Mamlatdar of Dharbandora.

All such aforesaid representations made to me were called for discussion on 18-06-2012 in order to redress their grievances based upon their representation filed before me. During the discussion with various representatives there was a request by majority that atleast transportation of the washed ore/lumps may be allowed which will not cause any danger to the road conditions as mentioned in the aforesaid order and every precautions may be taken to the health and safety of the general public of the area where such transportation is carried out.

Considering the representations made before me, I had even called for discussions/opinions of the Officers/authorities of the areas on the above issue where such transportation is banned by the aforesaid order.

Discussions were held on 21-06-2012 with officers including the Superintendent of Police, South Goa, Sub-Divisional Magistrate, Quepem and Sub-Divisional Police Officer, Quepem and they were of the opinion that the transportation of mining trucks may be allowed with certain terms and conditions which protect the health and safety of the citizens.

In view of the above discussions and representations made on record I am of the opinion that order issued on 11-06-2012 banning transportation of mining trucks is required to be partially modified considering that aforesaid representations were not there (called for) before issuing the order dated 11-06-2012;

And whereas, I am not in total agreement with the representations made before me to lift the total ban on the transportation of mining trucks as it is adversely affecting the business, employment and financial conditions of the people who are dependant on such transportation activities as health and safety of citizens are always to be considered on top priority.

After considering the various points raised above and keeping in mind that the safety of the people is on top priority, I, N. D. Agrawal, District Magistrate, South Goa utilizing the powers vested under me under Section 115 of the Motor Vehicle Act, 1988 (Central Act 59 of 1988) read with the Government Notification No. 5/28/88/TPT(Part) dated 26-9-1989 and Section 21 of the General Clauses Act, 1897 modified the above **order ie. Order No. 37/16/2010/MAG/5315 dated 11-6-2012**) as below:-

During the monsoons in the Talukas such as Quepem, Dharbandora and Sanguem only the

**washed ore/lumps be allowed to be transported** from the above areas with the following conditions:-

- i. The mining trucks coming from the mining area, their tyres **shall be washed** before advancing towards the tar road and shall take full precautions that mud carried by the tyres of the trucks from the mining areas is not transported on the tar road surfaces making the tar road slippery and unsafe for the public.
- ii. The mining trucks **shall not carry lumps more than 10 metric tones.**
- iii. If in case due to any reason the mud gets collected on the road causing inconvenience to the general public to the extent of their safety then the respective mining company whose trucks are plying on those roads shall be responsible jointly and severally to **wash the road by using water tankers and other pressure equipments** at their own cost making it safe for the commuters of that road.
- iv. No mining truck shall ply during the children school going and coming time i.e. from **7.00 a.m. to 9.00 a.m.** and afternoon from **12.00 noon to 2.00 p.m.** between the aforesaid areas.
- v. The trucks carrying mining material shall **compulsorily be properly covered with tarpaulin or any other thick sheet.**
- vi. The mining companies shall hire **security guard along entire road** to ensure smooth flow of traffic.
- vii. Each mine owner has to **take permission for transporting the iron ore (lumps only) thereby giving the details viz., route and number of trips per day be required to be transported.** The District Administration will grant permission **only for 15 days** for such transportation and monitor the performance and in case conditions stated above are violated, permission granted will stand cancelled. In case, if the proper maintenance of the road is done without any obstruction and problem to the citizen, the permission will be renewed for the similar period.

Any violation of any of the conditions of the above order will amount an offence under the provisions of Section 188 of the Indian Penal Code. I also authorized u/s 195 of the I.P.C. the Talathi of the respective area, In-charge of Police Station and

In-charge of Traffic Cell of the respective area to file F.I.R. against the violator of the above order.

Given under my hand and seal of this office on this 27th day of June, 2012.

*N. D. Agrawal*, District Magistrate, South Goa District, Margao.
